**Brogdale Farm** offers visitors a fun day out in Kent to experience the beauty of the countryside, sample the healthy lifestyle options of local Kent produce, and visit the unique Kent tourist attraction of the National Fruit Collection. Come and taste a wide variety of Kent seasonal fruits, enjoy our **Market Place** of shops and crafts, and experience our range of food and drink on offer in our tearoom and at our day out Festivals and Events held throughout the year.

### **An ideal family day out in Kent:**

For a **great food day out in Kent** with healthy eating explore the **Brogdale Farm orchards** with fruit trees ranging from apples and pears to plums and cherries to cobnuts, strawberries and quinces while they are in season and experience demonstrations, tastings and displays during our [special festivals](#). Our **tour guides** will entertain you with the historical background of the fruit varieties in season and offer tastings while you explore.

After your walk, why not visit **The Courtyard Cafe** full of delicious homemade cakes and farm produce or stroll around our Plant Centre, **Grow** and **Market Place** shops which promote a healthy lifestyle along with local Kent crafts.
